

Senior Military College Scholarship Opportunities

The Hume Center for National Security and Technology is offering three scholarship opportunities for students interested in cybersecurity and languages critical to the Department of Defense and Intelligence Community as part of Virginia Tech's Senior Military College Cyber Institute Program. Interested students may apply for any of the scholarships below for which they qualify. All applications will require students to upload a resume and answer a short (250 words or less) essay describing their interest in cybersecurity and/or critical languages. Please see below for general application requirements; additional requirements will be listed under each scholarship heading.

- Overall 3.0 GPA or higher
- U.S. Citizen with the ability to obtain a security clearance
- Must apply for internship/job opportunities in cybersecurity and/or languages
- Must respond to surveys from program faculty requesting information on internship and job opportunities

All applications are due by 11:59 p.m. on Sunday, December 6

Cyber Pathways Scholarship

Students enrolled in or who have applied for the Integrated Security Pathways minor's Securing Cyber option can apply for a \$1000 scholarship for the Spring 2021 semester.

Additional Requirements: Enrolled in or applied to the Integrated Security Pathways minor's Securing Cyber option
